

# Hot Chip, Down With Prince

I'm sick of motherfuckers trying to tell me that they're down with Prince  
I was just a baby when I heard him playing Vanity 6  
And now it's such a ripoff got to get to my Electric Six  
Show 'em how it's done I think you got to get shown up rich

Snare drums pound on the 2 and 4.  
If you've got a kick drum get on the floor  
. . . some more  
all the . . . get out the door  
. . .  
. . . if you know what I mean  
. . .  
. . .  
Gettin' down with your royal badness

Been working night and day on my CV since I was seven years old  
Didn't know a dollar from a sniff of your raspberry cologne  
Ladies beg your pardon can I show no bitches good to go  
Where were you . . .
