

Hot Chip, Marrow

Hey, off to holiday
When we will come back
I don't know

Hey, I leave this awful grey
And I journey way away
We're in love

Hey, I'm growing each day
And I learn some more
I'm a marrow

Hey, I'm leaving everyday
Why I cannot stay
I don't know

Hey, I throw it all away
Bring it back as one
Thousand pieces
