

# Hot Chip, Out At The Pictures

It's on every street  
it's fucking cheap  
sometimes you find up in your mind.

are you at the pictures,  
or out at sea?  
it's better this way,  
trust you, believe me.

Whe-the-whe-the-whe-the-whe-the-weather weather weather weather  
(there's a whole world in there)  
Whe-the-whe-the-whe-the-whe-the-weather weather weather weather  
(just don't stop and stare)  
Whe-the-whe-the-whe-the-whe-the-weather weather weather weather  
(you will find gel there)  
Whe-the-whe-the-whe-the-whe-the-weather weather weather weather  
(there's a hole in the world there)

We like it for what we just got  
it's better still  
it's something hot

out at the pictures  
I cannot see  
it's better this way  
trust you, believe me

Whe-the-whe-the-whe-the-whe-the-weather weather weather weather  
(there's a whole world in there)  
Whe-the-whe-the-whe-the-whe-the-weather weather weather weather  
(just don't stop and stare)  
Whe-the-whe-the-whe-the-whe-the-weather weather weather weather  
(you will find gel there)  
Whe-the-whe-the-whe-the-whe-the-weather weather weather weather  
(there's a hole in the world there)
