

# Hot Rod Circuit, Cheap Trick

Should have never happened that way  
Made a mistake  
Changed forever  
I don't know what I'm supposed to say  
Like cheap trick  
I surrender

When I laid my eyes on you  
I knew this was forever  
How could I have been such a stupid fool  
I'm not so clever

Some forgot what happened that day  
Wish I could go back  
Make it better  
I have my pride there's nothing you could say  
The white backs of now  
I surrender

When I laid my eyes on you  
I knew this was forever  
How could I have been such a stupid fool  
I'm not so clever

na na na na  
na na na na na na  
na na na na na na na na [x2]

What a dream it could happen that day  
I chicken myself  
For a week or better  
I don't know what I'm supposed to say  
Like cheap trick  
I surrender

na na na na  
na na na na na na  
na na na na na na na na [x3]
