

# Hound Dog Taylor, It's Alright

(Hound Dog Taylor)

Yes I love ya, I love ya  
Woman I'm telling what I'll do  
I don't love nobody I'm telling ya  
In the whole round world but you  
Alright, alright, it's alright

Yes let me tell ya, let me tell ya  
Honey, just before you go  
If you don't love me, won't you tell me  
Baby I swear I don't wanna go  
Alright, alright, it's alright

Lord wake up any morning  
Then find your little woman gone  
It can hurt you so bad by she leaving  
Boy you just hate to be alone  
Alright, alright, it's alright

Yes, I'm leaving, I'm leaving  
Boy this time I'm really gone  
There's no use in me hanging around here baby  
And you steady doing me wrong  
Alright, alright, it's alright
