

Hound Dog Taylor, Roll Your Moneymaker

(Hound Dog Taylor)

Roll your moneymaker, honey you really can shake her
Shake your moneymaker, honey your really alright
Roll your moneymaker

I got a gal who lives up on the hill
Well I got a gal, she lives up on the hill
Well the fool tried to quit me but man I love her still
She rolled her moneymaker, oh boy she really can shake her
Shake your maoneymaker, honey your really alright
Roll your moneymaker

Well I'm leaving in the morning I won't be here till fall
Well I'm leaving in the morning I won't be here in the fall
Well my mind only change I won't be here at all

Roll your moneymaker, honey you really can shake her
Shake your moneymaker, baby your really alright
Roll your moneymaker

Well I'm leaving in the morning I won't be here till fall
Well I'm leaving in the morning I won't be back till fall
Well my mind only chance I won't be here at all

Roll your moneymaker, honey you really can shake her
Baby your really alright, yeah your out of sight
Roll your moneymaker
