

Hound Dog Taylor, Sadie

(Hound Dog Taylor)

Sadie, will you come back home tonight
Oh Sadie, will you come back home tonight
I love you, and you know I'm gonna treat you right

You don't love me, why didn't you let me know
Oh lord, why didn't you let me know
Maybe, somebody will let you go

I called her, and I called her on the phone
I called her, and I called her on the phone
Some maid told me that she wasn't at home

I've got it and I roll up to her door
Got in my car and I rolled up to her door
She told me "I can't use you anymore";

Sadie, why do you treat me the way you do
Oh Sadie, how come you treat me the way you do
I love you, I don't love no one but you

I cry, I cry all night long
I cry, I cry all night long
Baby, you know your doing me wrong

I tell me, what you want your man to do?
Oh Sadie, what you want your man to do?
I love you, I don't love no one but you

Sadie, will you give me just one more chance
Oh lord, will you give me just one more chance
I'll prove it, oh lord I'm still a man

Sadie, will you come back home tonight
Oh lord, will you come back home tonight
I love you, and you know I'm gonna treat you right

Sadie, will you give me just one more chance
Oh lord, will you give me just one more chance
I love you, I'm gonna prove that I'm a man
