

House Of Large Sizes, Man Overboard

We receive and are thankful
For these gifts delivered to us
We receive and are thankful
But so unsatisfied
Now!
Left, right and then back again
The time is clearly now
I'm still moving quickly
I sleep by thinking how
I think of that movie
"Seven Sheets To The Wind"
Wind and unwind, my mind is fallin' down
Man overboard! Man overboard!
The time is clearly now
I'll sacrifice you, throw you in the pit [4x]
[repeat 1st verse]
Now!
