

# House Of Lords, Call My Name

tears in the night  
silence your eyes  
yet I can see  
can you see me  
caught in between  
you're in my mind  
you're haunting me

you don't have to worry  
oh if you fall in love with me  
a lifetime is what my love can be

just call my name  
and I'll be at your side  
just call my name  
baby don't cry

these are the nights  
I realize  
just who I am and what I need  
been through it all  
pain and the glory  
all I really know  
oh if you fall in love with me  
a lifetime is what my love can be

just call my name  
listen to your heart  
call my name  
wherever you are  
call my name

I'll be there, if you need someone  
to listen  
deep inside yourself  
every moment we're destined to be

you don't have to worry  
oh if you fall in love with me  
call my name  
listen to your heart  
just call my name  
wherever you are

oh baby  
oh darlin'  
just call my name
