

# Howard Jones, I Don't Hate You

You're acting bad

Like you don't care

You're letting your dark side rule your head

There was a time when you gave a damn

When you believed in evolution

I don't hate you

I just don't like the things that you do

I don't hate you

I just don't like the things that you do

I just wanna see behind your screen

How did Captain Cool become Major Mean

Abused by the world is the picture you paint

You choose to play the devil instead of the Saint

I don't hate you

I just don't like the things that you do

I don't hate you

I just don't like the things that you do

I'm reaching down to throw you a line

I hope I manage to reach you in time

It's all I can do to keep my place

I'm looking in the mirror and I see your face

I don't hate you

I just don't like the things that you do

I don't hate you

I just don't like the things that you do
