

Howard Jones, Like To Get To Know You Well

Like to get to know you well
Like to get to know you well
Like to get to know you well
So we can be one
We can be one together

Repeat Chorus

Together we can cast away the fear
Together we can wipe away the tear
Together we can strip down the barriers
And be one

Don't wanna talk about the weather
Don't wanna talk about the news
Just wanna get to the real you inside

Repeat Chorus

Don't you think now is the time
We should be feelin'
Just wanna simply say
Won't let you slip away

People wanna talk about the future
Don't wanna linger on the past
Just wanna reach to the real you inside
Forget cold glances and rejections
Leave the things that separate
Build on a trust that we can stand on

Repeat Chorus

Finding all are insecure
Opening the same door
Leaving out a stubborn pride
Seeing from another side

Repeat Chorus
