

Howie Day, Perfect Time Of Day

[Verse 1:]

It's the perfect time of day
It's the last day of your life
Don't let it drift away
While your heart is still racing
It's the perfect time of day

[Chorus:]

And you wont feel a thing
And you wont recall anything at all

[Verse 2:]

Close your eyes and take your last breath
Press your head aside, the end is the beginning
Everyone between is so lost, so lost.

[Chorus]

[Bridge:]

Let your colors collide
The time is so right
I keep running behind
But I know your meaning
You love to fall
(...)
The perfect time of day

[Chorus]

[Outro:]

Wooooo it's the perfect time of day
Come on now
It's the perfect time of day
it's the perfect time with you
