

Howlin' Wolf, Come Back Home

You're a mean mistreater, mama, you don't mean me no good
You just a mean-mistreater mama, you don't mean me no good
I can't blame you, baby, I'd be the same way if I could
You know in the morning, baby, when I come in, knocked on you
You had a nerve to tell me, that you don't want me no more
And then also baby, when I knocked upon your door
You had a nerve to tell me, don't want me no more;
Didn't you say you was gonna leave me, did you say you was goin' away?
Did you say you was gonna leave me, didn't you say you was goin' away?
That's alright baby, you gonna come back home someday
