

# Howlin' Wolf, I Better Go Now

I better go now  
I better go now baby  
I better go now &#039;fore I get out my blade  
You done spend my money, throwed it all away  
I had that money, to buy us a home  
Yes I had that money, to buy us a home  
When I come home, the money was gone  
I better go now, &#039;fore I get out my blade  
So many people, dead and in the grave  
Yes so many people, dead and in the grave  
I better leave ya now darlin&#039;, &#039;fore I get out my blade  
I had that money, to buy you a diamond ring  
I had that money, to buy you a diamond ring  
I found out, you give it to your other man  
I better go now, I better go now
