

Howlin' Wolf, I've Got A Woman

Lord I've got a woman, she's nice lovin' to me every way
Lord I've got a woman, she's nice lovin' to me every way
You know it hurt me so bad, see my baby get away.

Lord fare thee well, I ain't got no more to say
Fare thee well, got no more to say
It hurt me so bad, see my baby get away.

Keep on havin' a good time now, just like the flowers that come in May
Keep on havin' a good time now, just like the flowers that come in May
Ahhh, it hurt me so bad to see my baby get away.
