

# Howlin' Wolf, Just My Kind

Just my color, oooh you&#039;re just my kind  
Well you&#039;re just my color, ooh you&#039;re just my kind  
Well you keep me worried darlin&#039;, bothered all the time.

Well I told my baby, cried all night long  
I told my baby now, cried all night long  
Well you just my color darlin&#039;, you just my kind.

Well I wrang my hands, cried all night long  
I wrang my hands, cried all night long  
Well you just my color darlin&#039;, you done me wrong.
