

# Howlin' Wolf, Moanin' At Midnight

Well, somebody knocking on my door

Well, somebody knocking on my door

Well, I&#039;m so worried, don&#039;t know where to go

Well, somebody calling me, calling on my telephone

Well, somebody calling me, over my telephone

Well, keep on calling, tell them I&#039;m not at home

Well, do not worry, daddy is gone to bed
