Howlin' Wolf, Tell Me

Tell me, what in the world can be wrong
Tell me, what in the world can be wrong
Woke up this morning
Trouble knocking on my door
I wonder what the trouble
Big trouble at my door
I wonder what the trouble
Real troubles at my door
Thursday morning my baby&#039;s making
Don&#039;t want me anymore
I&#039;ll have to forget it, and let this trouble pass
I&#039;ll have to forget it, and let this trouble pass
Well, I wonder sometimes, how long my troubles gonna last
All night long, somebody knocking on my door
All night long, somebody knocking on my door
There ain&#039;t nothing but my troubles
Can&#039;t be worried here anymore
Ooh, good bye, good bye baby, got to go
Ooh, good bye, good bye baby, got to go
I can&#039;t lay around here, be worried with this trouble no more
Trouble is knocking
Trouble is knocking
Trouble is knocking
Trouble is knocking
