

# Hubert Kah, Cathy

We make it day and night  
I sit and watch your sleep  
We're taking our time  
Don't cry - don't cry  
In the shade  
I wake

It's me Cathy  
Follow my heart  
There's nothing  
I can't play with you  
I'll make you see  
Play it again with me  
It's me cathy (yes we're going on)  
Follow my heart (going on)  
There's nothing (we can make it 'til the end of time)  
I can't play with you (just say again)  
I'll make you see (say that much is true)  
Play it again (i'm in you)

Come into my veins  
I take it from your mouth  
You'll never be the same  
Don't cry - don't cry  
And I know  
I know

It's me cathy  
Follow my heart  
There's nothing  
I can't play with you  
I'll make you see  
Play it again with me  
It's me cathy (yes we're going' on)  
Follow my heart (going on)  
There's nothing (we got a kind of love bizarre)  
I can't play with you (just say again)  
I'll make you see (say that much is true)  
Play it again (i'm in you)

Cathy  
The world is in love

It's me Cathy (yes we're going on)  
Follow my heart (going on)  
There's nothing (because you're in me and I'm in you)  
I can't play with you (just say again)  
I'll make you see (say that much is true)  
Play it again with me (Cathy)  
It's me Cathy (yes we're going on)  
Follow my heart(going on)  
There's nothing (we'll make it 'till the end of time)  
I can't play with you (just say again)  
I'll make you see (say that much is true)  
Play it again (Cathy)
