

Hubert Kah, Under My Skin

Baby I see the morning of your show
Baby I heard the message on the radio
Stranded in time
Will you be my fantasy tonight
Will you be my flame forever burning bright
Give me a sing
When I see the shadows moving
Babe I'll let you know
When I wanna say I'm crying
Babe I'll let you go
I feel for you
Under my skin I feel love
And I know I won't let go
I feel for you
Under my skin I feel love
And I know I can't let go
I feel for you.

Baby I see the morning of your show
Baby I heard the message on the radio
Stranded in time
When I see the shadows moving
Babe I'll let you know
When I wanna say I'm crying
Babe I'll let you go
I feel for you
Under my skin I feel love
And I know I won't let go
I feel for you
Under my skin I feel love
And I know I can't let go
I feel for you.
