

Huey Lewis, Cruisin'

Cruise With me baby

Baby let's cruise
Away from here
Don't be confused
The way is clear

And if you want it you got it forever
This is not a one-night stand, baby, yeah so...

Let the music take your mind
Just release and you will find

Chorus:
You're gonna fly away
Glad you're going my way
I love it when we're cruisin' together
Music is played for love
Cruisin' it made for love
I love it when we're cruisin' together

Baby tonight
Belongs to us
Everything is right
Do what you must

And inch by inch we get closer and closer
To every little part of each other, ooh baby, yeah, so...

Let the music take your mind
Just release and you will find

Repeat Chorus

Cruise with me baby
Cru--se
Cru--se
Oh baby let's cruise
Let's float, let's glide
Ohh let's open up and go inside

And if you want it you got it forever
I could just stay here beside you and love you baby
So...

Let the music take your mind
Just release and you will find

Repeat Chorus (2x)
(to fade)
