

Huggy Bear, Concrete Life

one two three four

it's a temporary kick to alleviate constraint
how we fucked and robbed a cop
slashed him in the face
it wasn't some sick fantasy
it started running true unashamedly

it's a temporary kick to alleviate constraint
how we fucked and robbed a cop
she pissed into his face
it wasn't some sick fantasy
it started running true unashamedly

i'm not running to you
while you're this immobilized and stricken
i'd rather cut my arms off
than see you going out with him

ahh ahh
