

# Huggy Bear, My Best Kiss

yeah, yeah, gonna put you in my mouth  
what you say is dirty to me is purity  
wanna kiss you, yeah, kiss you with my best kiss  
lips like yrs just gotta be lying  
yeah, yeah, gonna put you in my throat  
While they underline morality  
and if how come i'm so dumb, you wanna spend all yr time w/ me  
You got trouble on yr mind  
You got it double, thats why you shine  
You got trouble all the time  
You got it double thats why you shine  
Don't call it hell, call it soul, don't call it hell, no  
YEAH, yeah, yr mouth  
Underline morality  
And if how come i'm so dumb, you wanna spend all yr time w/me?  
Soul? Hell? soul. no.
