

Hugh Laurie, Wild Honey

Wild honey makes me feel like twice the man I used to be
Wild honey, wild honey
Wild honey makes me feel like twice the man I used to be
Wild honey, wild honey

Well it don't take but a crack to crumple a kingdom
Don't take but a queen to make that kingdom come
I'm a jack of all trades, master of none
I'm the one who's gonna get all the fun done

Wild honey /xx
She loves you /3x
My little lover girl
She loves you /3x

Cut down the raw, you really ought to see
That is the way, wild honey is supposed to be

Wild honey /xx

Well it don't take but a crack to crumple a kingdom
Don't take but a queen to make that kingdom come
I'm a jack of all trades, master of none
I'm the one who's gonna get all the fun done

Little on the sweet side
Little, little on the straight side

Wild honey /xx
She loves you /3x
My little lover girl
She loves you /3x
My little lover girl
She loves you /3x
My little lover girl
She loves you /3x
