

# Hugh Wilson, Falling Away

I'm falling away,  
I'm falling away with you.  
We can't always say  
In the cool light of day,  
What's true.  
Time may heal your wounds  
I'll see you through.  
I thought we'd create  
Hearts in the sea of blue.  
We'd given a date.  
I said I believed in you.  
But I'm falling away  
I'm falling away with you.  
Time may heal your wounds  
I'm seeing you through  
Your eyes may fade from view  
I'm seeing you through  
I'm torn at the seams  
The things that are free.  
You think that you're not needed.  
But I feel your pain  
It's always the same  
But let's not feed it  
Yet here in my soul  
I want you to know  
I'll never leave  
There's nothing to say  
No more charades for fools  
I came here to stay  
I'm falling away with you.  
I'm falling away,  
I'm falling away with you.  
Time may heal your wounds  
I'll see you through.  
Your eyes may fade from view  
I'll see you through  
Time may heal your wounds  
I'll see you through.  
I'm falling away  
I'm falling away with you...
