

# Hughes Turner Project, Going My Way

(Hughes/Turner/Marsh)

Bad luck and trouble  
Always following me

Black rain was falling  
That's all I could see

I used to think that the dream was reality

Those days are gone now  
I'm where I wanna be, I wanna be

No more mountains to climb  
No more runnin' down the lost highway  
I found my place in time  
The sun is shining on me, everyday  
It's going my way

Falling from grace  
How did I let myself go?

Tell me, what did it take  
For me to know, for me to know

I used to think that the dream was reality

Those days are gone now  
I'm where I wanna be, I wanna be
