

Hundred Inch Shadow, in your hands

so much hate
i just don't understand
results of our behaviour
inflict us everyday
i really don't know why
we're such a foolish kind
destroying everything
are we supposed to fight?

put aside your pride cause it's no use
look around, some things we cannot choose
just try to be, to be more positive
see what you cannot see
before it will disappear

it's your life
which you can win or fall behind
with our desires
we're losing what is valuable
man, it's your life
what you will do depends on you
you could be someone great
or someone worthless
