Hunter, Enter Sandman

(Metallica cover)

Say your prayers little one Don't forget my son To include everyone Tuck you in, warm within Keep you free from sin Till the sandman he comes Sleep with one eye open Gripping your pillow tight

Exit light Enter night Take my hand We're off to never never land

Something's wrong, shut the light Heavy thoughts tonight And they aren't of show white Dreams of war, dreams of liars Dreams of dragon's fire And of things that will bite Sleep with one eye open Gripping your pillow tight

Exit light Enter night Take my hand We're off to never never land

Now I lay me down to sleep Pray the lord my soul to keep If I die before I wake Pray the lord my soul to take

Hush little baby, don't say a word And never mind that noise you heard It's just the beasts under your bed In your closet, in your head

Exit light Enter night Grain of sand Exit light Enter night Take my hand We're off to never never land
