

# Hurricane #1, Only The Strongest Will Survive

Well my life is worth nothing to some  
while to others I am number one.  
and it can be so hard to know  
when to try, when to give up and go  
now this feeling is reeling me in  
I can feel it like it was my skin  
in my head I repeat a new rule  
pain is easy, pleasure is cruel  
I tell you,  
only the strongest will survive  
these days you've got to kill yourself just to stay alive.  
Well there's only one life and you know,  
it won't take you where you want to go  
yesterday was a walk in the park  
but tomorrow is a step in the dark  
and my life is worthing to some  
but to you I hope I am number one.  
in my head I repeat a new rule  
pain is easy, pleasure is cruel  
I tell you,  
only the strongest will survive  
these days you've got to kill yourself just to stay alive.  
everybody's talking like they want to see the party begin  
I'll be in the alley, get a taxi, cos i'm staying in  
only the strongest will survive...  
I'm strong enough to get you through  
are you strong enough to help me to?  
only the strongest will survive...
