Spoken intro: Hey guess whos come to town
Its Mister x and hes looking for foxes
And when he find that fox
Hes gonna have him some fun
Im a black cat boogie lover
Im a red hot stud
Im a holy rolling coaster
Shaking out of my love
Got midnight shifts to work on
Got money left to burn
Got beer in my freezer
Got nothing left to learn
Im your man
Im the hoochie coochie toker
Im the first in line
There aint no-one here to match me
Im a lucky number nine
Got snakeskin sneakers and a mohair zoot
Big banana in my larder
Baby just feel my fruit
Im your man
Guitar solo
Im the honky mojo worker
Im the man with all the jive
Foxes seem to stick around
Like bees around the hive
Thunder in my eyes
Raining in my bones
Lightning in my pocket
Baby come on ride my storm
Im your man
Im your man
Guitar solo
