

# Hurt, Shallow

You're watching the cars, movies and stars  
They are your lifetime...  
Yet all that I am is half what we are  
Maybe some other time  
I'll get it right  
I'll get it right

Oh sweet voice on the phone  
You sound so alone  
'Cause you couldn't be wasted  
Yet all that I ever was  
To you I am  
I'm less than a man

That slowly changes out of phase  
And I don't know why it is  
It's an ever changing simple thing that I miss...

While watching TV take in what you say  
So you're death is painless  
When all that I ever was returns again  
I'm all that I am

And I'll get it right  
When I get it right  
'Cause I'll get it right  
When I get it right

But I'm slowly changing out of phase  
And I don't know why it is  
It's an ever-changing simple thing that I know  
But don't know why it is  
That I'm longing for a sweet embrace, which I miss
