

# Hurts, Stay

My whole life waiting for the right time  
To tell you how I feel.  
Know I try to tell you that I need you.  
Here I am without you.  
I feel so lost but what can I do?  
'Cause I know this love seems real  
But I don't know how to feel.

We say goodbye in the pouring rain  
And I break down as you walk away.  
Stay, stay.  
'Cause all my life I've felt this way  
But I could never find the words to say  
Stay, stay.

Alright, everything is alright  
Since you came along  
And before you  
I had nowhere to run to  
Nothing to hold on to  
I came so close to giving it up.  
And I wonder if you know  
How it feels to let you go?

You say goodbye in the pouring rain  
And I break down as you walk away.  
Stay, stay.  
'Cause all my life I've felt this way  
But I could never find the words to say  
Stay, stay.

So change your mind  
And say you're mine.  
Don't leave tonight  
Stay.

Say goodbye in the pouring rain  
And I break down as you walk away.  
Stay, stay.  
'Cause all my life I've felt this way  
But I could never find the words to say  
Stay, stay.

Stay with me, stay with me,  
Stay with me, stay with me,  
Stay, stay, stay, stay with me.
