

Husky Rescue, Blueberry Tree Part I

Morning sun
Good morning sunshine
And the sun beams

Little stream
Through the grass where catch my eye

Butterfly, warmly welcome to my garden
Dragonfly, you will make it through the day

Take my hand
I'd love to share with you the secrets
Close your eyes
Can you hear the melody?

Open your eyes
The world is out there and it's waiting
Tie up your shoes
We don't want to miss all the fun

Take my hand
You want to fall in love with something
Close your eyes
We shall follow melodies
