

# Hydrogyn, Circle

I know your waiting  
I know you're looking round for me  
I feel you breaking  
Feeling the passion that's me  
I've waited forever  
To fill up my loving cup  
Love tied and jaded  
I've had enough  
I'm giving up  
I'm breaking that circle  
I'm moving on; that's it for me  
I'm breaking the Circle  
I'm moving on  
I'm breaking the circle yeah  
The passion is gone  
Trapped in the middle  
I'm hidden, somehow I can see  
I'm tied to this iron  
That keeps you from finding me  
I'm long in my measures  
Something's gotta cut me free  
These chains can be broken  
The truth is out  
I'm going free  
I'm breaking that circle  
I'm moving on, that's it for me  
I'm breaking the Circle  
I'm moving on  
I'm breaking the circle yeah  
The passion is gone  
I'm breaking that circle  
I'm moving on, that's it for me
