

# Hyper Crush, Infinite Youth

You know I'm young  
i got a lot of passion  
everytime I wake up  
yeah, I'm rocking crazy fashion

when the beat stopd for a second  
we bring it back and  
cross my path crazy (?)  
we own a map baby

feather my hair and then I'm Ghost  
like Patrick Swayze  
new is for the youth  
searching for the truth  
fortyhundredthousand  
milleniums and counting  
i found a fountain of youth  
up on the highest mountain

I just see the light and I'm travelling  
I really can't believe this is happening  
when I look into the future I see the past  
but I really never know if it's gonna last

where are our way to the fountain of our youth

new is for the youth  
searching for the truth  
fortyhundredthousand  
milleniums and counting

(PART)

cross my heart and hope to die  
youth is the truth we will survive (3x)

in with the new  
in with my crew  
out with the old  
listen to the youth  
because they ain't listening to you  
money, power and respect  
you look kinda crazy lately  
i thought you knew  
that were the true ... 80s babys  
the time is changing  
it's amazing  
follow the trail i'm brazing  
i got the youth on my back  
everytime i rap on a track  
i ain't got much  
but i got enough  
to get it poppin stiff  
and all you haters go ahead  
and get up off my dick
