

Hypocrisy, Dead By Dawning

I woke up screaming from a nightmare
That seemed so real
A horrified vision of the skyline
Covered up in steel
I stumble outside, everything around me had changed
I could not believe my eyes
I stare into a world re-arranged

My heart was pounding faster
Am I awake or still in a dream
The vision of final disaster
.?The vision of empty dreams?

[Chorus]
I see a dead sky dawning
A lethal encounter of the first degree
I see a dead sky dawning
No mercy for you, No mercy for me
I see a dead sky dawning
A lethal encounter of the first degree
It's the end for you , It's the end for me

The world is silent
Only the life from above can be seen

..

..

It's not of this world
:our senses?
Something within me tells me
It's the end of humanity

My heart was pounding faster
Am I awake or still in a dream
The vision of final disaster
?The vision of empty dreams?

[Chorus]

Released from this nightmare
Let me wake up to find the world I knew
But then I see the faces around me
I realize we are the chosen few

[Chorus]
