

# Hypocrisy, Elastic Inverted Visions

I'll squeeze until you're dead.  
I can feel it!  
All your energy is low.  
You better believe it.  
I'll destroy you with my hand.  
You will be gone.  
In time we'll see the things we've done.  
I'll see you in hell.  
The killing gives me all the pleasure.  
Just to see you fade away and turning to stone.  
Yeah!!!  
I'll squeeze until you die.  
I can feel it.  
All your energy is low.  
You better believe it.  
I'll destroy you with my hand.  
You will be gone.  
In time we'll see the things we've done.  
I'll see you in hell.  
I'll see you in hell.  
I'll see you in hell!  
I'll squeeze until you die.  
You will be gone.  
In time we'll see the things we've done.  
I'll see you in hell!  
I'll see you in hell.  
I'll see you in hell.  
I'll see you in hell...
