

Hypocrisy, Inquire Within

I feel that my soul is leaving me.
My body is beginning to disappear.
(My mind is playing tricks on me
I am being turned inside-outside
I think I'm losing it!
Where am I
Why is it so cold.
I try to look around,
how come I'm being paralyzed?
Caught from behind
Destroyed into / This journey to eternity
I am leaving for another world.
My body is floating hollow empty?
My thoughts are spinning out of control.
Will I ever be one again.
Will I ever reach the end?
Will I ever see the light.
Is this death or am I dreaming.
Feels like I am flying away.
How come this is happening to me
Why don't you leave me alone
I hear a voice that says- You're the chosen one.
I didn't choose to a victim
I didn't choose the pain
I didn't choose to be an experiment
I just want to get away from this hell.
Caught from behind
This journey to eternity
I am leaving for another world.
My body is floating hollow empty
My thoughts are spinning out of control.
Will I ever be one again.
If I die before I go home.
It would just be the same.
It would be my chance to be free.
Maybe because I am dying.
Will I ever reach the end?
Will I ever see the light.
Is this death or am I dreaming.
Feels like I am flying away.
Caught from behind
This journey to eternity
I am leaving for another world.
My body is floating hollow empty?
My thoughts are spinning out of control.
Will I ever be one again.
