

# Hypocrisy, Pleasure Of Molestation

Conquest is my art!!!  
Some say, in God's ear.  
I'm yours 'til you find my  
noose.  
Your name, brought us here.  
To molest, this evil boy.

[chorus]  
Leprosy.  
God's own destiny.  
Their gathering.  
Brought you to me!  
At the altar they recently  
found you.  
Running loose with hellish  
volition.  
In here your soul will be  
dead.  
All livings beings will rot in  
Hell!  
[end of chorus]  
Call my name, I will be.  
An admission that ceased to  
exist.  
I curse, thee whom I save.  
Darkening, will son be here.

Wait, sacrifice my live.  
With this evil unholy knife.  
With the opening hand to a  
god.  
Fuck Jesus Christ!!!

Slaves of the Lie, they needed  
eyes.  
Users, beggars, believe yours.  
I won't deny!

Dying, for God, I'm not with  
him.  
Crime, is in our... hearts.  
You not reveal!

[repeat chorus 1 time]  
Sacrifice a virgin on your  
knife.  
Would you be a servant, for  
Satan or mankind?  
Sacrificing pieces of your  
life.  
I carry no grief, for Jesus  
Christ!!!
