Hypocrisy, Strange Ways

Well, it's a strange way The way you look at me And it's a hard time Time you been givin' me Come on and open up Open up to me So you can realize That I could set you free Strange ways, twisted days Strange ways, twisted days Well, it's a strange place That you've been livin' in And it's a strange line You've been deliverin' I think I like it But I'm not really sure Don't wanna to fight it Just wanna feel some more Strange ways, twisted days Strange ways, twisted days
