

I Am The Pilot, Waiting Takes A Lifetime

Hello perfect stranger. (Where have you been?)
Im lost with the light in your eyes. (Light in your eyes)
I know that youre the one to take this for granted.
Would you give yourself up and

Follow me, (into the future now)
And let me show you, (something you wont let go of)
A perfect reason to keep me waiting here for you.
Theres something about you I just cant figure out.

I would never alter our design.
Im trying to reconsider our lives.

Its time to see that our real dreams
Are made of secrets weve been keeping

Follow me, (into the future now)
And let me show, (something you wont let go of)
A perfect reason to keep me waiting here for you.
Theres something about you I just cant figure out.

I know nothing about perfection,
But I am certain that I am the one.
