## I Hate Kate, It's You

Go

Let it go

Let it go

Put it all behind

For you

Show

Let it show

Let it show

That you're not afraid of this

For you

And there's only one person I know

That is worth all the time in the world

It's you

Life

This short life

This sweet life

Is all I've got

I've got for you

And there's only one person I know

That is worth all the time in the world

It's you

It's you

It's you that makes me feel it

You that makes me feel so alive

So alive

It's you

It's you

Born

We were born

We were born in this world of hope

I hope it's you

And there's only one person I know

That is worth all the time in the world

It's you

It's you

It's you that makes me feel it

You that makes me feel so alive

So alive

It's you

It's you

It's you that makes me feel it

You that makes me feel so alive

So alive

Don't call off all your feelings

And sew off all your clothes

To forget me

To forget me

All dried up in this weather

Been tied up since forever

So let me

Just let me

It's you

It's you

It's you that makes me feel it

You that makes me feel so alive

So alive

It's you

It's you

It's you that makes me feel it

You that makes me feel so alive

So alive

It's you

It's you

It's you
