

I'm From Barcelona, Collection Of Stamps

I've got one from Spain
and two from Japan
I've got a couple from Israel and Azerbadjan
I've got a plenty from Poland but none from Sudan
or from Fiji or Uzbekistan

You know I can't believe I'm telling everyone that I know
That every stamp in my collection is a place we could go!

And I've got one from Chad
and two from Nepal
I've got a couple from India and Benin as well
I've got a plenty from Poland but none from Sudan
or from Fiji or Uzbekistan

It's ok, it's alright
Pack your bags, let's leave tonight
