I-Ten, Alone

I hear the ticking of the clock, I'm lying here the room's pitch dark I wonder where you are tonight, no answer on your telephone And the night goes by so very slow Oh I hope that it won't end though All alone

Till now, I always got by on my own I never really cared until I met you And now it chills me to the bone How do I get you alone How do I get you alone

You don't know how long I have wanted to touch your lips and hold you tight You don't know how long I have waited, and I was gonna tell you tonight But the secret is still my own And my love for you is still unknown All alone
