

# Iam Tongi, I'll Be Seeing You

All your wits  
All of the laughs  
Your grin  
Will stay in my heart  
Stay in my mind  
For all of time

Bridges burn  
But I've seen the worst  
And I'm sure  
That I'll be alright  
I'm doing just fine  
Only for a time

Oh where do I go from here?  
Know I'm lonely, but have no fear

Cause I'll be seeing you  
Seeing you  
Wherever I go

And I'll be,  
Be with you,  
Be with you  
Wherever I'll go

Gone but your love  
Is all I have left  
I'll stand tall  
You'll stay in my arms  
Won't stay in the dark  
Cause you'll look for me

Maybe I'm bound to break  
I wanted more  
I can't resist  
The thought of you  
Lingers on me now

Heaven knows no tears  
But if only you were here

But I'll be seeing you  
Seeing you  
Wherever I go

I'll be,  
Be with you,  
Be with you,  
Wherever I go  
Cause I'll be seeing you  
Seeing you  
Wherever I go

And I'll be,  
Be with you,  
Be with you,  
Wherever I go
