

IAMDDB, Where Did The Love Go?

Yea
I don't wanna act yea
I don't wanna act yea yea
I don't wanna act
And I don't wanna act
I don't wanna act nonchalant, yea
I don't wanna come off too strong, yea
But in your hands is where my heart belongs, yea
And tell your mates they can't tag along

We can go back and forth all night long, yea
Kill my ego can you see my soul, yea
I swear I promise I'll admit my wrongs, yea
I swear I promise I'll admit my wrongs
I hope you cry, I hope you cry
Where did the love go?
Look in your eyes, I hope you cry, I hope you cry
Where did the love go?
Look in your eyes, I hope you cry, I hope you cry
Where did the love go?

Tit, tit, tit, tit
Tit for tat
Playing games we ain't doing all of that
What you doing, what you saying, where you at?
Where you at?
Where you at?
Get straight to the point why do we have to act?
Say what's on your mind, I reflect it back
Back, back
I don't wanna act nonchalant, yea
I don't I don't
I don't wanna come off too strong, yea
I don't I don't
But in your hands is where my heart belongs, yea
I don't I don't
And tell your mates they can't tag along
I don't I don't

We can go back and forth all night long, yea
Kill my ego can you see my soul, yea
I swear I promise I'll admit my wrongs, yea
I swear I promise I'll admit my wrongs
I hope you cry, I hope you cry
Where did the love go?
Look in your eyes, I hope you cry, I hope you cry
Where did the love go?
Look in your eyes, I hope you cry, I hope you cry
Where did the love go?
I hope you cry, I hope you cry, I hope you
Where did the love go?
Where did the love go?
Where did the love go?
Where did the love go?
Look in your eyes, I hope you cry, I hope you cry
Where did the love go?
I hope you cry, I hope you cry, I hope you
