

IAMX, This Will Make You Love Again

When the joys of living just leave you cold
Frozen from the failing mess you made your own
And if you want an ending to your screenplay life
Well, here's the consolation
That will change your heart and mind
All the glitz messiah's just pass the time
I cure for no real sickness, cross your hopes and die
The supermarket Jesus comes with smiles and lies
Where justice he delays is always justice he denies
This will make you love again
This will make you love again
This will make you love again
This will make you love again
And now you're safe
Love again
To feel the rays
Love again
The sweet delays
Love again
And shoot the breeze
Love again
Early thursday mornings wipe away the flies
The crossfire fight for action inbetween your thighs
Every touch is sacred when they leave the room
If I have to switch the lights off
I wanna switch them off with you
This will make you love again
This will make you love again
This will make you love again
This will make you love again
And now you're safe
Love again
To feel the rays
Love again
The sweet delays
Love again
And shoot the breeze
Love again
