

# IAMX, This Will Make You Love Again

When the joys of living just leave you cold  
Frozen from the failing mess you made your own  
And if you want an ending to your screenplay life  
Well, here's the consolation  
That will change your heart and mind  
All the glitz messiah's just pass the time  
I cure for no real sickness, cross your hopes and die  
The supermarket Jesus comes with smiles and lies  
Where justice he delays is always justice he denies  
This will make you love again  
This will make you love again  
This will make you love again  
This will make you love again  
And now you're safe  
Love again  
To feel the rays  
Love again  
The sweet delays  
Love again  
And shoot the breeze  
Love again  
Early thursday mornings wipe away the flies  
The crossfire fight for action inbetween your thighs  
Every touch is sacred when they leave the room  
If I have to switch the lights off  
I wanna switch them off with you  
This will make you love again  
This will make you love again  
This will make you love again  
This will make you love again  
And now you're safe  
Love again  
To feel the rays  
Love again  
The sweet delays  
Love again  
And shoot the breeze  
Love again
