

# Ian Brown, All Ablaze

Caught you in a ring of fire  
All surround me, such a blaze  
Got you in a ring of fire  
Lift me as you , say my name

Who you gonna get to bring you water,  
When your well runs dry  
What you gonna gonna tell your little daughter,  
Is the reason that her daddy makes her cry

Caught you in a ring of fire  
Happy days are all ablaze  
Happy days in a ring of fire  
Lift me as you, say my name

Who you gonna get to bring you water,  
as your well runs dry  
What you gonna tell your little daughter,  
Is the reason,  
That daddy makes her cry

Sayin Jesus never died at crucifiction,  
So Mother Mary never suffered so much pain  
Masqueraders paintin pictures flip the scriptures  
Dont even know his name

I... I say the same again, happy days are here and...  
Bells.... just dont stop ringin in the rain...  
Happy days are,  
All Ablaze

All Ablaze

I... I say the same again, happy days are here and...  
Bells.... just dont stop ringin in the rain...  
Happy days are,  
All Ablaze  
All Ablaze
