you i have found, i hope you'll always be around

you i have found, i hope you'll always be around  
and if everything lasts forever, say you'll always be my pleasure

i feel fantastic, you make me feel majestic  
your sweet fantastic,  
your love is hypnotizing  
your love, is mesmerizing

deep in my heart, i'm going right back to the start  
and if everything lasts forever, say you'll always be my pleasure  
what ever you turn your hand to, when ever you follow your heart  
when ever you turn the heat on, kick start to my heart

i feel fantastic, you make me feel majestic  
your sweet fantastic,  
your love is hypnotizing  
your love, is mesmerizing
